School Descriptions

Business School through mentoring and training will equip you to fulfill your potential in the marketplace and the church. This course will give you the tools to start a business, increase your effectiveness in the marketplace, and apply sound business principles in the business of the church. Your success translates into the furtherance of the gospel and advancement of the kingdom!

Ministry School is a comprehensive program designed to help each student identify and become laser focused in their gifts and calling. Our teaching labs will develop your skill in communicating the Word with confidence and receive revelation from the Word. Ministry groups will provide you the experience of developing effective strategies to bring your ministry to birth. The electives will give you hands on training in either pastoral teaching, evangelism, youth, children's, or helps ministry. This school is for anyone who feels called to ministry or leadership on any level.

Missions School is designed to help develop the vision, skills, and character necessary to answer the call to missions, whether as a short-term or a career missionary. Study the biblical mandate to reach the world with the gospel, learn the history of the church's efforts to reach the world, acquire practical training in raising support, and develop the skill necessary to make the transition into a cross-cultural ministry. The course culminates with a six-week experience on the mission field.

Worship Arts School will equip and prepare you to live the call of worship leadership. At Charis this looks like course work in Biblical Worship with an Emphasis on New Testament Revelation of Being in Christ. You will study Music Theory and Ear Training via computer based self study program led by an in classroom instructor. You will learn from group lessons for voice. You will have additional courses on How to Develop A Great Worship Team, and The Heart of The Artist, and tech training in audio and recording as well as hands on experience.

Media School will get your hands on the tools that are changing the world! CBC media ministers will learn to create newsletters, websites, photographs, videos, email and other powerful communications that will increase the bottom line for the ministries they serve. More income means more ministry!

Practical Government School will give you the foundational knowledge and skills needed to step into your calling as a productive citizen or servant leader in civil government. You will receive instruction in a rigorous curriculum covering Biblical worldview, history, government, the Constitution, and politics. You will participate in hands-on activities where you actually experience how government works. You will hear from renowned historian David Barton and many impressive guest speakers with real-world government experience at the local, state and federal levels. Be a part of God's plan to restore America.

Creative Arts School will give you, as a student who is passionate about using performing arts for God's glory and not your own, a professionalism and industry standard of training that will empower you with the skill to create top quality art that communicates the gospel in creative and barrier-breaking ways, and enable you to reach the lost and bless the body of Christ in a multitude of styles and genres.

Leadership Program will equip you to become the leader God has called you to be with our unique mix of ministry and business classes, hands on training and leadership coaching that will revolutionize the way you do marketplace and ministry. (Exclusive to Colorado Night School and many Charis extension locations. Contact World Outreach for detailed location information!)

World Outreach Global Training School is the first level in the qualification process to be a director or support member of a Charis Bible College campus or international AWM office. This specialized training will give you the in-depth training required to lead a World Outreach project, so you can answer the call of showing God's grace on a global and generational scale. Learn how to develop, support, and build the outreach that accomplishes the AWM vision: to reach as far and as deep with the Gospel as possible!

THIRD YEAR MEDIA SCHOOL

Course Title: The History of Media in Ministry

Instructor: Timothy Swartz

"And God said..." eight times in Genesis chapter 1. In chapter 3 verse 15 God gave the first gospel message. So, ministry and media both begin with God using oral communication. This course will visit the correlation between the two over time with regards to the spoken word, written word and the application of technology from the quill to the internet.

Course Title: Story Development

Instructor: Stephen Bransford

Communication thrives on stories. Every story has a beginning, middle, and an end--- that can put you to sleep--- or bring you to the edge of your seat. This class is about how to do the latter.

Course Title: Photo Journalism

Instructor: Ted Mehl

This course will cover the principles, process and profession of telling stories with pictures. Still photos capture a moment in time. By knowing the right time to snap the shot and provide a caption or paragraph to give the context a vivid story is revealed.

Course Title: Still Photography

Instructors: Kati Carter & Jeff Nakkula

In this course the student will learn the principles of taking professional photographs. The instructors will cover topics such as composition, exposure, and operation of the camera.

Course Title: Photoshop 1 & 2

Instructor: Jeff Nakkula

These courses teach the process of enhancing and manipulating still photographs using Adobe Photoshop. In Photoshop 1 the student will be introduced to the principles and function of the software. Photoshop 2 will cover more advanced concepts and application to the project.

Course Title: Fundamentals of Audio

Instructor: Randall Montague

In this course the instructor will cover the technical principles and concepts of audio gathering, recording and playback. The class will include theory and concept of how audio functions. This will translate into quality sound in later productions.

Course Title: Audio Editing 1

Instructor: Nathan Carter

Adobe Audition is the tool that will primarily be used this school year for audio editing. This course will introduce the principles and concepts for using the software. Everything will be compatible with Premiere Pro.

Course Title: Audio Editing

Instructor: Andrew King

This class will build on the information learned in Audio Editing 1 with advanced techniques. There will also be application of concepts and principles to audio projects.

Course Title: Audio Theory/Recording

Instructor: Andrew King

Continuing from the Fundamentals of Audio course, this class will build on the theory with application to recording. Techniques and best practices will be taught for capturing optimal quality sound for your productions.

Course Title: Lighting 1 & 2**Instructor: John Tabor**

These two courses focus on the use of lighting for event and performance application. Techniques that are used for church lecture and praise/worship set ups are the primary use here but the basics will also be applicable to video field production. Lighting 1 will cover concepts and principles while Lighting 2 will be more application.

Course Title: AV Principle/Theory**Instructor: Dave Prensner**

AV is the function that every church will want to have a media person to operate in. It covers every aspect of Media for churches including video, audio, presentation, lighting, and more. This course will deal with the systems involved and how they are integrated.

Course Title: Audio Editing 2**Instructor: Nathan Carter**

Adobe Audition is the tool that will primarily be used this school year for audio editing. This course will introduce the principles and concepts for using the software. Everything will be compatible with Premiere Pro.

Course Title: Videography 1**Instructor: Craig Forrest**

Videography 1 covers principles and practices for video productions. This course takes the process from concept to completion giving a complete overview of production in the medium of video.

Course Title: Videography 2**Instructor: Timothy Swartz**

Following on the foundation of Videography 1, this course will go into deeper detail of the components introduced in the previous class. Specific application will be given as it relates to the projects for the class.

Course Title: The Story and the Interview**Instructor: Stephen Bransford & Timothy Swartz**

In this course the instructor will review and expand on the story telling process covered in Story Development (fall term). The specific application will be for script writing for video production. The process of story boarding will also be covered.

Course Title: Video Cameras 1 (DSLRs)**Instructor: Jeff Nakkula**

The DSLR is the video camera that will be used in class. This course will introduce the operation of the functions on the camera and how to use it in different situations with various accessories. There will also be discussion of the various makes and models.

Course Title: Video Cameras 2**Instructor: Timothy Swartz**

In this class there will be the opportunity to practice set up and tear down of the equipment including proper packing procedures. This will afford the opportunity to become comfortable with the process before starting out on productions.

Course Title: Field Lighting**Instructor: Jeff Nakkula & Timothy Swartz**

In this course the principles and concepts learned in Lighting 1 & 2 will be reviewed and presented as they apply to video field production. The principles are the same but will be different as in 3 point lighting as opposed to stage lighting.

Course Title: Remote Audio Production**Instructor: Andrew King**

This course will review the principles and concepts covered in Audio Theory/Recording and application will be made for field production. Specifically microphone selection and placement will be explained for different setups. Recording devices for field production will be explained and how they connect with the camera.

Course Title: Premiere Pro 1 & 2**Instructors: Jonathan Giaimo & Jeff Nakkula**

Premiere Pro is the Adobe editing software used in Media School. Course 1 will cover the fundamental principles and concepts necessary to operate the system. Course 2 will be more advanced application and project specific use. It will be critical to master this software for the required productions.

Course Title: After Effects**Instructor: Nathan Carter**

After Effects is the Adobe software used for graphic application in Media School. This course will cover the rudimentary functions of the program to be able to create full screen and lower third graphic to be used in the video productions. The program is capable of much more and will be explored as time permits.

Course Title: Website design and development**Instructor: Jordan Warner**

Learn what it takes to build attractive, up-to-date websites where visitors turn into donors.

Course Title: Logo Design**Instructor: Autumn Nakkula**

If you can take one glance and recognize Nike, McDonald's, and Starbucks, then your ministry logo needs to do the same when donors look your way! This workshop will equip you with the basics of building a brand that will distinguish your ministry from among the rest.

Course Title: Writing Newsletters**Instructor: Stephen Bransford**

Once you get the content edited for your letter, how do you put it together in a quick way and still look professional? By using simple tools we will easily build a letter layout that will impress your audience every month.

Course Title: Fundraising Letter Writing**Instructor: Stephen Bransford**

How do you ask for money? And more importantly, how do you avoid manipulation? This workshop will help you deal with these questions and get you writing in a way that raises the big bucks---legitimately.

Course Title: 1,000 Words + Blogging**Instructors: Autumn Nakkula**

If a picture is worth a 1,000 words, then let your images tell the story. In this workshop learn how to take photos that will lead the audience into actually reading your blog material!

Course Title: Business Development 2**Instructor: Jordan Warner**

This course will cover the strategies for establishing and operating a successful media business according to godly principles. It will be a culmination of other business related courses.

Course Title: Project Development**Instructor: Timothy Swartz**

This is the application of the culmination of all that has been taught in Media School. Each student will be assigned to one or more of the major projects in Ministry School and Business School. The Media School student will be the media consultant for those projects designing, problem solving, and helping to develop the media for the clients' needs.

Course Title: Audio and Video Production Projects

Instructor: Timothy Swartz

Students take what they have learned in each related course and apply it to the production process in order to individually or collectively create projects according to specified requirements.

Required core courses:

Proverbs I, I & III, Timeless Wisdom for a Life of Blessings - Andrew Wommack

Leadership - Barry Bennett

These professional tools will be the standard platform by which all classes will be taught. By the end of the year, you will have a basic knowledge of these tools and will be able to work on your own with them after taking this course.

Recommended Configuration

While the Adobe CC Suit will run on virtually any Apple laptop, please keep in mind that when considering computer systems for media production, performance equals time. To keep pace with the increasing rate of class projects and the increasingly higher quality of footage, images, and audio to work with, the faster the system the less time you will be waiting on your machine. Below is a list of recommended specifications.

These are the minimum requirements for the hardware and software, but we will always recommend buying the best that you can afford. Prices below reflect the estimated price of each item at time of print:

MacBook Pro Suggested Requirements:

- 2.6GHz, 2.7GHz or 2.9GHz quad-core Intel Core i7 processor
- 8 or 16 (*preferred*) GB 2133MHz memory
- 512GB PCIe-based SSD1
- Intel Iris Graphics 550

Software:

- Adobe Creative Cloud Creative Cloud Subscription Service is \$19.99/mo.
- Apple's Pages (included in most packages) Used for Newsletters, Word Processing, and Database Cost: \$19.99 in the App Store (if not already included)

32 GB Flash Drive (or larger):

- USB 2.0 or higher This can be any brand of flash drive and can usually be purchased for under \$10.00.

The flash drive will be used to turn in your assignments. And receive larger project files.

Recommended Equipment -

1 TB or Larger External Hard Drive:

Used for backing up your computer and storing large media files. Check online for the best prices

USB 3 or Thunderbolt Portable Hard drive

Video Camera:

It is recommended that you **NOT** purchase a video camera for Media School. We will have professional cameras for you to complete your assignments, along with pro lighting and audio equipment. If you wish to purchase a camera, please wait until you have attend classes and discussed various options. We would love for you to get the best one for your budget and needs.

Student Discount

While Charis Bible College doesn't officially have an educational discount agreement with Adobe systems, there are many 3rd party vendors that extend student discounts. The largest of these is JourneyED.com. If you go to this educational vendor and follow the steps to create a student account you will be able to purchase a Adobe CC subscription for \$19.99 a month or subscribe to it for the year at the cost of \$239.88.

Also check for Apple educational discounts.
