A LETTER FROM THE PRESIDENT

Dear Friend,

Charis Bible College is a modern-day miracle. On June 23, 1993, I clearly heard from the Lord to start a Bible college. There couldn't have been anything further from my mind, but God downloaded a revolutionary way to do it. I was to take 2 Timothy 2:2—*“And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also”*—and use it as a framework for a school that would do more than just impart biblical knowledge. This school would also provide practical, on-the-job training to prepare students for their next step.

The truth is, everyone goes through school. It's just a matter of whether it's a safe environment with experienced instructors and mentors or what's called the “school of hard knocks.” I took the latter route. And I tell you, if you survive, it makes a great testimony. But you're not guaranteed success that way.

Most people die with unrealized potential. That doesn't have to be you. You don't have to settle for whatever comes your way. You can lay a sure foundation through Charis Bible College, where instructors with decades of experience equip you to succeed. For over twenty years, Charis has been training and empowering people to do what they were born for. And if you don't know what you were born for, I'm believing that you will by the time you graduate. I'm also believing, more importantly, that you'll be prepared to step into your God-given destiny.

If the Lord is speaking to you about attending Charis, visit our website for more information. I guarantee it will change your life and the lives of others forever.

Remember, preparation time is never wasted time.

Andrew Wommack

A LETTER FROM THE **VICE PRESIDENTS**

Hello Beloved,

We have had the privilege to see Charis at work in so many lives all over the world. It does not matter what culture you are from, what your past looks like, or what your plans are for the future; Charis is a vital part of any Christian's growth in discovering their calling and destiny. We know that it will be a life changing experience for all that come!

Carrie and I believe that besides your relationship with God, discovering your calling is one of the most important things any one of us can ever do. When you make the Word of God the priority in your life, you open yourself up to hearing His voice clearly, discovering who you are in Him and who He is in you. This will naturally empower you to step out beyond the limitations you have put upon yourself, and discover the greatness God has called you to. This is exactly what Charis provides for our students. It creates an atmosphere for growth and transformation according to the Word of God, and encourages all to boldly take the steps the Lord is leading you to in your life.

There are so many promises in the Word of God. Promises God intended His children to live by, and to find victory within. We would like to invite you to discover what those promises are, and allow them to be your foundation for stepping into what the Lord has called you to as your destiny! As you walk in the plan He has for you, you will walk in the satisfaction and fulfillment the Lord has planned for you.

We look forward to seeing you soon!

**Blessings,
Mike and Carrie Pickett**

DOCTRINAL STATEMENT

The Scriptures

We believe that all of Scripture (both the Old and New Testament) is verbally inspired by God and is our final authority in all matters pertaining to doctrine, reproof, correction, and instruction in righteousness (II Tim. 3:16, 17).

God

We believe in only one true God; One in essence, nature, and attributes, but existing in three persons: Father, Son, and Holy Spirit (I Jn. 5:7).

Jesus Christ

We believe in the deity of the Lord Jesus Christ, in His virgin birth, of His shed blood on Calvary for the forgiveness of our sins, of His bodily resurrection and ascension to the Father's right hand. We do not believe that He is simply "a" way to the Father, but rather the only way through which we can receive righteousness, regeneration, sanctification, and glorification. He is, in fact, our salvation (I Cor. 1:30-31).

Holy Spirit

We believe in the baptism with the Holy Spirit, expressed with speaking in tongues according to Acts 1:8; 2:4; 9:17; 10:44-46; 11:15, 16; and 19:6. We believe this experience is distinct from, and subsequent to, the new birth, and can be received by faith (Gal. 3:2).

Salvation

We believe that all who, in repentance and faith, receive the Lord Jesus as Savior and Lord are born again (Acts 20:20-21; Rom. 10:9-13).

Healing

We believe that the redemptive work of Christ on the cross has provided healing for the human body (Mt. 8:16, 17; Isa. 53:4; I Pet. 2:24).

The Resurrection

We believe in the resurrection of the just and the unjust; one to everlasting life and one to everlasting damnation (Mt. 25:46).

The Second Coming

We believe in a literal, physical second return of the Lord Jesus Christ (I Th. 1:10; 4:16-17).

The Church

We believe that the universal church is comprised of all true believers who have received salvation through Christ (Eph. 1:22-23). We also believe in and encourage fellowship with a local church (Heb. 10:25).

Gifts of the Spirit

We believe that spiritual gifts and manifestations of the Holy Spirit are for the common good and building up of others today (I Cor. 12:7).

WHO WE ARE

VISION

Transforming lives, training leaders, and changing the world.

MISSION

Equip faithful men and women for the work of the ministry by teaching spiritual truths, imparting biblical knowledge, providing practical ministry opportunities, and grounding them in the message of God's unconditional love and grace.

SUMMER SEMESTER (Spring Enrolled Students Only)

Summer Semester Begins	May 25, 2024
Summer Semester Ends	Aug 10, 2024

FIRST YEAR

In the first-year program, you prepare your heart by building a solid foundation in the Word of God. Courses include Relationship with God, Basics of Righteousness, Introduction to the Bible, Fruit of the Spirit, and many others ready to help you become rooted and grounded in the truth of the Gospel.

In addition to daily classes, you are required to apply what you learn by volunteering twenty hours per term at local ministries and churches. You are encouraged to step out into ministry and, in doing so, learn how to operate as the body of Christ.

At the end of the year, you will receive a Certificate of Completion and become eligible for the second-year program.

SECOND YEAR

During the second year, the focus shifts to practical ministry. Courses include New Testament Survey, Principles of Godly Leadership, Acts: Power for Supernatural Living, Establishing a Prosperous Soul, and many more. In addition, you engage in Interactive Groups (IAGs)—small workshops designed to help you fine-tune and develop skills such as teaching, public speaking, sacerdotal duties, leading prayer, and more.

You are also required to go on a foreign missions trip. Students raise funds for their trips through letter writing and personal fundraising. Working as part of a small missions team and preparing skits and teachings all become practical training ground as you take the Gospel of Christ to the nations of the world.

Upon graduating from the second-year program, you will receive a diploma in Biblical Studies and a Ministry License from Charis Bible College. You are then eligible to apply for the Third-Year Program.

Course Descriptions

A Sure Foundation

Two subjects are covered in this class. *The Integrity of the Word* expounds on the truth, surety, and infallibility of God's Word. *Christian Philosophy* shows us that we all have a system of thought but challenges us to examine if it is according to the Word or the world.

Basic Bible Doctrines

Bible doctrine will be covered in this course. Subjects include The Scriptures Inspired, One True God and The Trinity, The Deity of Jesus Christ, The Fall and Salvation of Man, The Present-Day Ministry of the Holy Spirit, Divine Healing, The Return of Jesus Christ for His Church, and Heaven & Hell.

Basics of Righteousness

This class teaches about our Spirit, Soul, and Body and Identity in Christ. Spirit, Soul, and Body is a study that explains how our spirits are complete in Jesus if we are born again and how our souls and bodies should relate to our spirits. The Identity in Christ study shows us from Scripture who we are in Christ—our righteousness and justification.

Biblical Ethics and Morals

This course is a study of various ethical and moral issues from a Biblical perspective that affect a Christian's walk with God and influence with others, including those outside the church.

Discipleship Evangelism Groups

This course has been designed so that anyone, at anytime, anywhere can reach an unbeliever, disciple new believers, or grow with others in the Lord. Students will get a chance to teach a lesson. This totals 8 hours of DE class hours over the course of the year.

Dynamics of Christian Living

These class hours cover Praise and Worship, Chapel services, guest speakers, seminars, workshops, and conferences that are required attendance for students. They cover various topics of Christian living, testimonies, and real-world application of the Word of God in our daily lives.

Essential Truths of the New Testament

There are many truths in the Bible, but not all the truths in the Bible are essential and foundational. That means that there are many things in the Bible that are extremely interesting, but they are not extremely important. There are also many truths that are important, sometimes even extremely valuable, but they are not essential. The big tragedy is that many times the truths that Christians major on, and build their lives upon, are non-essential or non-foundational truths. It will not necessarily be what you believe about healing or prosperity that will determine whether you will fall or stand when you're sick, or when you're in poverty. It will most probably be what you believe about the essential and foundational truth of the Gospel, because all other truths must be based and founded on this truth in order to work.

Establishing a Prosperous Soul

According to I John 2 our physical health and financial prosperity are linked to the relative prosperity of our soul. In this course you will learn the keys to establishing a prosperous soul. Some of these principles are finding rest in the presence of Jesus, removing judgments, having a right relationship with authority, being anchored in hope, walking in patience, etc. We will cover these and other essential principles with the end goal of your soul becoming prosperous.

Finally, My Brethren

This insightful study through the first five and a half chapters of Ephesians will cover the foundational steps that Apostle Paul laid out before his often-quoted statements about putting on the spiritual armor. This course will enlighten new scriptural truths and empower you to become more than a conqueror in spiritual conflict.

First Book of John

The object of Christianity is our relationship with God—a study through the book of I John.

Fruit of the Spirit

God's very first words to man connects our success in life to our fruitfulness (Gen. 1:28). The kind of fruit each believer is called to produce is described in Gal. 5:22-23. This is a picture of the life and nature of Jesus. This course is an in-depth study of each aspect of the fruit of the Spirit. You will learn the purpose, the rewards, and the means to fully develop and manifest the fruit of the Spirit in your life and ministry.

Fundamentals of Faith

In this course faith is defined and examined as well as what faith is not. There is a vertical side of faith which is faith towards God, however there is also a horizontal side of faith which is the walk of faith in our natural life. This course will expound on both sides of faith because both are needed to bring about God's plan and purpose in the earth.

Galatians

Paul's inspired letter which is often referred to as the "Magna Carta" of Christian liberty is reviewed and studied in terms of its great themes: grace, revelation, our identity in Christ, faith, the Law vs. the blessing of Abraham, and life in the Spirit.

Healing

The Christian life includes physical health for all who believe. It is as much God's will that we be physically whole as it is that we be born again. Before anyone can have faith for healing, they must be certain of God's will. Faith cannot go beyond the knowledge of God's will and God's ways in the area of health and healing. This course will establish principles for health and healing and will explain healing in terms of the spirit, soul, and body of man. We will learn what is required of us as faith filled Christians, and what is God's part in the process of receiving health in our bodies.

Holy Ghost and You

Learn about the baptism of the Holy Ghost and how your relationship with Him can empower you in every area of life.

Holy Spirit I, II, III

This is an exciting class that discusses the Person and the work of the Holy Spirit. Not only will you learn how He has worked throughout history, but how He works in your life.

Introduction to Evangelism

The goal of this course is to help Christians see just how easy it is to share their faith with the lost. God's greatest revelations to mankind and how these can be used to inspire faith are introduced, as well as, how to share your personal testimony. We will also provide an introduction to disciple-making, how to answer "tough questions," as well as the attitude of a soul winner. This course will help you prepare for the joy of leading people to Christ.

Introduction to the Bible

A course designed to inspire confidence in the Bible as the Living Word of God by understanding its 1) revelation, 2) inspiration, 3) compilation, and 4) preservation.

Let Freedom Reign

When we talk about freedom, it means different things to different people. For many believers, freedom in a Christian's life is only achieved through great sacrifice and hard work. When we have sacrificed and labored long and hard enough, we are ultimately rewarded with freedom; freedom from sin or freedom from bondage such as from drugs, alcohol, pornography or whatever we perceive freedom to be. In this teaching we will discover that freedom in the New Testament is a gift. Whenever you study the subject of freedom, as seen in the New Testament, there is a fundamental reality that we must understand about true freedom; in Christ we are all born free.

Life Foundations

In the Life Foundations course, you will learn 6 key foundational truths that will revolutionize your relationship with God, empower you to overcome every attack of the enemy, and give you the ability to minister to anyone, at any time about anything. The most important part of a structure is its foundation. These truths will help you establish a firm foundation in the Word of God.

Lifestyle of Worship

Worship is a lifestyle, not a musical style! Be set free as you learn that worship comes from who you are, not what you do. Worship is a response to God's incredible love and grace. That translates into a lifestyle that will bring transformation to you; from the innermost to the outermost. Learn how to draw near with a true heart! Learn how to be a voice!

Ministry of Jesus I, II

An overview of the culture and context of Jesus' life and ministry that will deal with His manner of teaching, the content of His teaching and His declarations about Himself, His relationship with the Father, the Word, the devil, sin, faith, prayer and the Holy Spirit.

Old Testament Survey I-VI

This is an overview of the Old Testament. In this class, students will study the author, historical setting, purpose, and theme of each book; special attention is given to some of the key passages.

Operating in God's Best

How to receive and operate in the blessings of God.

Possess the Land

In this course you will come to understand the relationship between the children of Israel possessing the Promised Land, and believers possessing the 'Land of Promises.' What does it mean to possess the Truth, possess eternal life, our new identity in Christ, our thought life, and God's prosperity? Finally, how do we drive out the enemy who comes to steal, kill, and destroy?

Prayer Ministry Program

This course is applicable for any believer who wants to be trained in "how to minister" to those in need of healing, providing instruction not only on what the Bible says about healing, wholeness and health, but also how to minister to those dealing with sickness and disease. This is participatory and experiential course and will be a catalyst for a more effective healing ministry in Jesus name.

Principles of Grace and Faith

The purpose of this course is to understand what grace and faith is and how they operate in our relationship towards God and how they operate towards those around us in our daily life. This course is designed to bring the Christian into a balance of receiving God's grace by faith and demonstrating that grace to all those around us.

Prophetic Activation

These participatory and experiential activation classes are all about developing the gifts of the Holy Spirit and how to hear God's voice in a clearer and more defined way. They will give you a greater understanding of how God speaks to you individually, corporately, and how to get activated in prophecy, words of knowledge, words of wisdom and the gift of the discerning of spirits. These classes will jumpstart you into living a powerful kingdom prophetic lifestyle and give you the confidence to minister in any situation.

Prosperity God's Way

This course is designed to help the student develop the right relationship with money and run the love of money out of his/her soul. Jesus tells us in Luke 16 that faithfulness in that which is least—money—will qualify us to be entrusted with true riches—eternal souls. These lessons will establish the student in the purpose of prosperity; identify the real enemies of prosperity and the right attitudes to develop toward finances.

Receiving from God I, II

This class covers the subjects of *Prayer, Healing, Blessings and Miracles, and Harnessing Your Emotions*.

Relationship with God I, II

This study emphasizes four important truths about God and man's relationship with Him. The Nature of God is a study of God that distinguishes between His character and His acts, contrasting the Old Testament with the New Testament. Hardness of Heart deals with one of the major barriers that keep us from accepting all of God's truth. Authority of the Believer helps us receive the blessings God has for us and shows us how to stop Satan from robbing us. God's Not Guilty shows us from Scripture that God is not the author of our problems, nor does He cause bad things to happen to us.

Revelation Groups

This course will prepare you to get revelation directly from the Word. It will include participatory and experiential activity in small groups. This totals 8 hours of Revelation Group hours over the course of the year.

Romans

Romans—The revelation of righteousness. The Book of Romans is considered by many as the greatest exposition of Christian Doctrine anywhere in the Bible. The revelation of righteousness is the revelation of the gospel. In this class we see: the need for the provision of, the way to and the power of righteousness revealed in Christ and received by faith.

The Heart Essence of the Gospel

Guilt, Condemnation, and Fear seems to be the motivating factors that define many Christian's lives. Guilt, Condemnation, and Fear among believers has been passed down from generation to generation because they have been ignorant of the Heart or "Essence" of the Gospel, and for generations people have struggled to believe the truth of the "Almost too Good to be True Gospel." Because of the ignorance and lack of understanding concerning the "Essence" of the Gospel, very few people know and relate to God the way that He is revealed in the New Testament. The "Essence" of the Gospel is all about God revealing His goodness, love, mercy, grace, and forgiveness and true nature to a tired, worn out, and hopeless world!

School of Practical Ministry—Year 2 Courses*

Required Second Year Courses for Diploma in Biblical Studies

Student must have successfully completed the first year program before being eligible for Year 2. In addition to the classes listed below, students must also successfully complete a Mission Trip. 96 hours of in-person-face-to-face on-campus time is required for classes, discussion, and review. The balance is completed online or on the student's own scheduling time. Student receives 45 hours credit for assignment preparation and 106 credit hours for Mission Trip attendance for a total of 596 credit hours.

Blessing of God

The favor of God invokes His blessing. You find this truth throughout the Old and New Testament. Once God's Blessing is released, it is irreversible. Explore the power of a blessing and see how it went before the great men of God, Abraham, Isaac, Jacob and the children of Israel. We have inherited the blessing in Christ Jesus. In order to walk in the fullness of the blessing we need to know that we are blessed by faith in Christ Jesus.

Boundaries in Relationships

How to set boundaries in relationships.

Charis Bible Studies

Do you have a way to share what you learned here at Charis? This Elective is all about how to conduct a Charis Bible Study. You will learn the what, the why and the how of CBS. You will have an opportunity to conduct a Study in class in a small group with your classmates and get to see your classmates (in your group) conduct a Study. You will leave this class confident in your ability to share the Gospel, no matter what your calling.

Media, Ministry, Money

These sessions will provide an overview on the use of media for ministry and fund-raising. Elements of video production, newsletters and fund-raising letters will be presented. Andrew Wommack's TV and radio producer, Stephen Bransford brings 30 years of media ministry experience to his lectures. His video productions have helped to raise millions of dollars for such clients as Jim Bakker, Oral Roberts, Billy Graham, Bob Tilton, Andrew Wommack, The American Bible Society, the United Methodist Church, The Year of the Bible, and many others. Using examples from his experience, good and bad, he shows how media can contribute powerfully to the bottom line of a ministry without sacrificing the ethical perspective.

Prophetic Activation

These participatory and experiential activation classes are all about developing the gifts of the Holy Spirit and how to hear God's voice in a clearer and more defined way. They will give you a greater understanding of how God speaks to you individually, corporately, and how to get activated in prophecy, words of knowledge, words of wisdom and the gift of the discerning of spirits. These classes will jumpstart you into living a powerful kingdom prophetic lifestyle and give you the confidence to minister in any situation.

Elective: Who Is Man

Just as there is a grossly inaccurate concept and belief about God in the hearts of so many believers today, there is also an equally destructive and crippling belief in the hearts of believers about the value of man. One thing that we must understand about religion and legalism is that it is designed to destroy all dignity and worth. That is why people who are deeply involved in religion and legalism invariably end up with no sense of self-worth, value, or dignity. If we as Christians are not taught and instructed in a proper Biblical sense of self-worth that is based on gospel truth, we will always struggle to get Bible truth to work in our lives on a consistent basis. If what we believe does not make us feel good about our relationship with God and good about ourselves, it will be very difficult to get the truth of the New Testament to work for me on a consistent basis.

Excellence in Ministry

Maximize your ministry potential and increase your leadership skills and influence. Identify and establish the core values that will shape your character and increase your kingdom influence. Learn the essential traits that define a leader in the kingdom of God.

Faith in a Supernatural God

This subject deals with recognizing the ability of God through our lives in ministry. Learning how to appropriate the supernatural ability of God in our lives, it deals with the supernatural powers that be, including 1) Angelic, 2) Demonic Spirits, and 3) The overcoming victorious powers of our Lord.

Foundational Truths for Godly Ministry

Since day one in the garden it has always been God's intention and purpose that every man, woman and child, find and live a life that is comfortable, gracious, and pleasant! Living our dreams both in lives and ministry does not only come with the gifting God has given you, or the opportunities you have but by the process of habitually practicing, exercising, and preparing your gifting! There is nothing more beautiful for God our Father, than to see us find and live as it were (in the sweet spot) of our lives and ministry.

Goal of the Cross

Learn that the goal of the Cross was to reveal the depths of God's love and teach you how to have a deep life changing relationship! Learn how to grow in greater understanding as you see this amazing love story towards you open up through study of the Word!

Heart Matters

Just when you thought you had spirit, soul and body understood, then you hear about the importance of getting the Word of God from your head to your heart. If I'm a three part being, where does that fit? Is the spirit the heart? What about evil thoughts coming from men's hearts as Mark 7:21 states? If my spirit is made new in Christ and complete in Christ, then if my heart is my spirit, how can I doubt in my heart according to Mark 11:23? Is there something wrong with my spirit? Is it possible for your heart to be in neutral? Is it possible for your soul to be in control instead of your spirit? This course deals with all this and way more as we unpack why your heart matters.

How to Flow in the Gifts

God gives us specific instruction in I Cor. 12:1 not to be ignorant of spiritual gifts. Yet this is something many Christians and churches are most ignorant about. These wonderful gifts are given to us to access when our knowledge of the Word (not the Word) and natural resources are not enough to get ourselves and others through a difficult time in life. The basis of our study will be from I Cor. 12,13, & 14. The goal of this course is to equip each student to understand, be comfortable with, and confident in releasing and operating the gifts in order. We will provide time during class to activate the gifts.

How to Get Along with People

Someone once said, “If it weren’t for people, the ministry would be great.” However, the ministry is all about people, so it’s critically important to learn how to develop relationships and develop them with the right people. When conflict does arise—and it will—it’s also crucial to know how to resolve that conflict according to the Word of God. God’s solution works, but you have to know it to put it into practice.

How to Study the Bible

This course is designed to show the student how to study the Bible in a useable way in their daily lives. In this course we will first look at the importance of the systematic study of the Scriptures and then show the action steps on how to do it. In this course the student will learn how to outline verses of scripture, how to use reference materials to assist in their study, and how to use bible software programs on a PC or tablet to get the most out of their study of the Word of God. The goal of this course is to equip students to study the Bible for themselves and to make it a daily discipline in their life.

In Christ Realities

Get a fuller understanding of your new identity in Christ, the value of your identity in Christ, and how that identity helps you fulfill the purpose and plan of God for your life.

Large IAG – Preparation for Ministry

This will introduce many skills that will help students become better public speakers and ministers.

Large IAG – Public Speaking

This course will cover various topics related to speaking and teaching in public.

Large IAG – Sacerdotal Duties

This course will prepare students for ministry situations they may encounter in the future. Topics will include weddings, funerals, baby dedications, and more.

Life of Christ

God has given each of us a unique purpose and destiny to fulfill. Yet our highest purpose is to be conformed to the image of His Son – Rom. 8:28-29. This course is a study in how you may appropriate and manifest the life of Christ – His character and nature – in the earth today. The focus of this teaching is to help you identify and yield to the image of Christ and to walk in Christ-likeness.

Living in Balance

Life is filled with temptations to live in extremes. A successful and stress-free life and ministry requires achieving a proper balance between sure principles that seem to oppose one another. This course will help you live in a healthy tension between the following principles: grace and faith, the ministry of the Word and the Spirit, vision and wisdom, sound doctrine and unity of the brethren, love and discipline, compassion and confrontation, forgiveness and trust, and being led by the Spirit and submission to authority.

Making of a Minister I, II

Attend Bible College, complete the required courses, receive your ministerial license and ordination papers, and then you are a minister, right? Wrong! God's ways are not man's ways. This course will help you understand the difference between man's and God's qualifications for ministers. By the end of this course you will either be determined to prepare your heart or stay as far away from ministry as possible.

New Testament Survey I, II

This is an overview of the New Testament that notes its place in God's revelation to man. In this class, students will study the author, historical setting, purpose, and theme of each book; special attention is given to some of the key passages.

Skills for Godly Relationships

One of the greatest challenges in life is to get along with other people around us, may it be in the workplace, at home and at Church or in ministry. Up to 87% of our success in life is directly related to our ability to get along with other people. The problem with relationships is that 90-95% of the people that we deal with in life are either moderately or severely insecure people. To compound this, most of the time we are also insecure ourselves and herein lies the problem. There is nothing that kills a relationship or a vision, and a ministry quicker than personal and unresolved insecurities. It is important to realize that getting along with other people has more to do with us than it has to do with them. Even though knowing God's love will effortlessly change us and influence the way we relate to others, we sometimes still need to actively work on getting along with other people.

Principles of Godly Leadership

The Bible is full of examples in leadership. Surprisingly, most of the greatest leaders recorded in the Bible were not those voted most likely to succeed. What did God see in them that men could not? Maybe, the same things He sees in you. In this course, Andrew teaches about their characteristics, their character, and the principles that operated in their lives. This course is a must for every believer.

Seven Messages to Seven Churches

This study is based on the seven letters to churches in Asia Minor which are found in chapters two and three of the book of Revelation. Each letter ends with the directive, "He who has ears to hear, let him hear what the Spirit says to the churches." This course explores the topics addressed in each of the letters and applies them to our lives in present-day life.

Small InterActive Groups (IAGs)

IAGs are where students get the chance to execute a teaching in front of a live audience. Constructive feedback is given from fellow students. Various tasks will be completed, including giving your testimony and giving an answer biblically to a worldview issue. This totals 30 hours of IAG class hours over the course of the year.

Spirit Led Life and Ministry

This course is designed to assist you in the development of your divine communication with the Heavenly Father by hearing and knowing the voice of the Holy Spirit. Topics will include: How to recognize the voice of the Holy Spirit, "Is it me, God or the devil?"; Different ways the Holy Spirit will lead and guide; Testing what you hear; Flowing in the anointing of God and the Gifts of the Holy Spirit; The voice of wisdom and daily walking in His perfect will.

Supernatural Evangelism

An introduction to Evangelism as practiced by Jesus and the Apostles. When men and women have the courage to present the Gospel message of Christ's life, death, burial and resurrection, and then prove the message is true by the evidence of "signs and wonders" evangelism becomes very easy. This course will equip students to reach out to the Lost in the power of supernatural confirmation by miraculous displays of God's power.

The Church Defined

A course on the role and purpose of the Church from the past to the present age.

The Laws of the Kingdom

A study of the spiritual laws that govern creation and how we can cooperate with those laws in order to enjoy victorious Christian living.

Walking in the Spirit

Paul tells us to walk in the Spirit in Galatians 5:16, but he does not explain there what it means or how to do it. In this course you will learn scripturally what walking in the Spirit is and how to do it! You will also see how you can be led by the Spirit in every area of your life. This course will help you walk out God's plan for your life!
