# Letter from the President

Dear Friend,

Charis Bible College is a modern-day miracle. On June 23, 1993, I clearly heard from the Lord to start a Bible college. There couldn't have been anything further from my mind, but God downloaded a revolutionary way to do it. I was to take 2 Timothy 2:2 "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also"—and use it as a framework for a school that would do more than just impart biblical knowledge.

The truth is, everyone goes through school. It's just a matter of whether it's a safe environment with experienced instructors and mentors or what's called the "school of hard knocks." I took the latter route. And I tell you, if you survive, it makes a great testimony. But you're not guaranteed success that way.

Most people die with unrealized potential. That doesn't have to be you. You don't have to settle for whatever comes your way. You can lay a sure foundation through Charis Bible College, where instructors with decades of experience equip you to succeed. For over twenty years, Charis has been equipping and empowering people to do what they were born for. And if you don't know what you were born for, you will by the time you graduate. More importantly, you'll be prepared to step into it. This is an investment you won't regret. In fact, it's a small price to pay!

If the Lord is speaking to you about attending Charis, visit our website for more information. I guarantee it will change your life and the lives of others forever.

Remember, preparation time is never wasted time.

*Andrew Wommack*

## DOCTRINAL STATEMENT

### **The Scriptures**

We believe that all of Scripture (both the Old and New Testament) is verbally inspired by God and is our final authority in all matters pertaining to doctrine, reproof, correction, and instruction in righteousness (II Tim. 3:16, 17).

### **God**

We believe in only one true God; One in essence, nature, and attributes, but existing in three persons: Father, Son, and Holy Spirit (I Jn. 5:7).

### **Jesus Christ**

We believe in the deity of the Lord Jesus Christ, in His virgin birth, of His shed blood on Calvary for the forgiveness of our sins, of His bodily resurrection and ascension to the Father's right hand. We do not believe that He is simply "a" way to the Father, but rather the only way through which we can receive righteousness, regeneration, sanctification, and glorification. He is, in fact, our salvation (I Cor. 1:30-31).

### **Holy Spirit**

We believe in the baptism with the Holy Spirit, expressed with speaking in tongues according to Acts 1:8; 2:4; 9:17; 10:44-46; 11:15, 16; and 19:6. We believe this experience is distinct from, and subsequent to, the new birth, and can be received by faith (Gal. 3:2).

### **Salvation**

We believe that all who, in repentance and faith, receive the Lord Jesus as Savior and Lord are born again (Acts 20:20-21; Rom. 10:9-13).

### **Healing**

We believe that the redemptive work of Christ on the cross has provided healing for the human body (Mt. 8:16, 17; Isa. 53:4; I Pet. 2:24).

### **The Resurrection**

We believe in the resurrection of the just and the unjust; one to everlasting life and one to everlasting damnation (Mt. 25:46).

### **The Second Coming**

We believe in a literal, physical second return of the Lord Jesus Christ (I Th. 1:10; 4:16-17).

### **The Church**

We believe that the universal church is comprised of all true believers who have received salvation through Christ (Eph. 1:22-23). We also believe in and encourage fellowship with a local church (Heb. 10:25).

### **Gifts of the Spirit**

We believe that spiritual gifts and manifestations of the Holy Spirit are for the common good and building up of others today (I Cor. 12:7).

# Course Summary

## Year 1

### **Foundational Teaching and Ministry Program**

Before the experiential aspects of ministry can be explored, it is very important that each student has a firm foundation in the Word of God. This includes: the understanding of God's unconditional love, the balance between grace and faith, relationship with God, godly character, the basics of righteousness, the Holy Spirit, prosperity, Bible covenants, keys to personal growth, life vision, and much more.

## Year 2

### **Advanced Instruction and Ministry Learning Experience Program**

In the second year, the emphasis moves to experiential ministry. In small interaction groups, students learn to do the work of the ministry. They conduct weddings, funerals, and baby dedications. They learn to prepare and deliver messages, plan and promote conferences, run children's church, and more. Second-year students are required to complete a mission's learning experience. The program includes ample opportunity to cover the expenses of the mission experience through fundraising events. Students remember these missions as life-changing events and the highlight of their college experience. Important elective classes are also available to second-year students. Examples include: counseling and life guidelines, family, church planting, church history, church government, and others.

## Year 3

### **Year 3 Program**

The Third Year Program is designed to help Charis Bible College graduates identify and be equipped in their calling of either Business, Film and Production, Global Training, Leadership, Ministry, Practical Government or Worship Arts. CBC graduates choose a school of study and are also offered more sound, biblical classes that further their walk with Christ.

## Course Descriptions

Students must successfully complete 568.8 classroom hours.

Course titles are subject to change without notice.

### Fall Courses

#### **Biblical Worldview**

Evaluating current world issues in light of the eternal truths of the word of God.

#### **A Sure Foundation**

Two subjects are covered in this class. *The Integrity of the Word* expounds on the truth, surety, and infallibility of God's Word. *Christian Philosophy* shows us that we all have a system of thought but challenges us to examine if it is according to the Word or the world.

#### **Basics of Righteousness**

This class teaches about our Spirit, Soul, and Body and Identity in Christ. Spirit, Soul, and Body is a study that explains how our spirits are complete in Jesus if we are born again and how our souls and bodies should relate to our spirits. The Identity in Christ study shows us from Scripture who we are in Christ—our righteousness and justification.

#### **Foundational Principles**

This course is based on Hebrews 1 & 2. The writer calls these things the principals of the doctrine of Christ. From these foundational truths we are to move on to achieve the goal set for us by God.

#### **Fruit of the Spirit**

God's very first words to man connects our success in life to our fruitfulness (Gen. 1:28). The kind of fruit each believer is called to produce is described in Gal. 5:22-23. This is a picture of the life and nature of Jesus. This course is an in-depth study of each aspect of the fruit of the Spirit. You will learn the purpose, the rewards, and the means to fully develop and manifest the fruit of the Spirit in your life and ministry.

#### **Healing**

The Christian life includes physical health for all who believe. It is as much God's will that we be physically whole as it is that we be born again. Before anyone can have faith for healing, they must be certain of God's will. Faith cannot go beyond the knowledge of God's will and God's ways in the area of health and healing. This course will establish principles for health and healing and will explain healing in terms of the spirit, soul, and body of man. We will learn what is required of us as faith-filled Christians, and what is God's part in the process of receiving health in our bodies.

#### **Holy Spirit I**

An exciting class that discusses the person and the work of the Holy Spirit. Not only will you learn how He has worked throughout history, but how He works in your life.

#### **Holy Spirit II**

A continuing teaching to conclude Holy Spirit I. These are exciting classes that discuss the person and the work of the Holy Spirit. Not only will you learn how He has worked throughout history, but how He works in your life.

**Introduction to the Bible**

A course designed to inspire confidence in the Bible as the Living Word of God by understanding its 1) revelation, 2) inspiration, 3) compilation, and 4) preservation.

**Life Foundations**

In the Life Foundations course, you will learn 6 key foundational truths that will revolutionize your relationship with God, empower you to overcome every attack of the enemy, and give you the ability to minister to anyone, at any time about anything. The most important part of a structure is its foundation. These truths will help you establish a firm foundation in the Word of God.

**Marriage and Family**

This course will show what the Bible says about God's plan and purpose for marriage.

**New Covenant Prayer**

Communicating with God is a major part of our relationship with Him. This course is about what prayer can be like in light of the New Covenant. Topics include friendship with God, worship, hearing His voice, praying for others, and doing what we see the Father do. There will be a focus on scriptural examples and real-life application.

**Possess the Land**

In this course you will come to understand the relationship between the children of Israel possessing the Promised Land, and believers possessing the 'Land of Promises.' What does it mean to possess the Truth, possess eternal life, our new identity in Christ, our thought life, and God's prosperity? Finally, how do we drive out the enemy who comes to steal, kill, and destroy?

**Principles of Grace and Faith**

The purpose of this course is to understand what grace and faith is and how they operate in our relationship towards God and how they operate towards those around us in our daily life. This course is designed to bring the Christian into a balance of receiving God's grace by faith and demonstrating that grace to all those around us.

**Prosperity God's Way**

This course is designed to help students develop the right relationship with money and run the love of money out of their soul. Jesus tells us in Luke 16 that faithfulness in that which is least—money—will qualify us to be entrusted with true riches—eternal souls. These lessons will establish the student in the purpose of prosperity; identify the real enemies of prosperity; and teach the right attitudes to develop toward finances.

**Relationship with God I**

This study emphasizes four important truths about God and man's relationship with Him. The Nature of God is a study of God that distinguishes between His character and His acts, contrasting the Old Testament with the New Testament. Hardness of Heart deals with one of the major barriers that keep us from accepting all of God's truth. Authority of the Believer helps us receive the blessings God has for us and shows us how to stop Satan from robbing us. God's Not Guilty shows us from Scripture that God is not the author of our problems, nor does He cause bad things to happen to us.

## **Romans**

Romans—the revelation of righteousness. The Book of Romans is considered by many as the greatest exposition of Christian Doctrine anywhere in the Bible. The revelation of righteousness is the revelation of the gospel. In this class we see the need for the provision of, the way to, and the power of righteousness revealed in Christ and received by faith.

## **Taking No Offence**

Offence is a mouse trap; it can rob you of God's best for your life. Learn how to identify offence and how walking in forgiveness can help overcome offence in any situation.

## **The Heart Essence of the Gospel**

Guilt, Condemnation, and Fear seem to be the motivating factors that define many Christians lives. Guilt, Condemnation, and Fear have been passed down from generation to generation because believers have been ignorant to the Heart or “Essence” of the Gospel, and for generations people have struggled to believe the truth of the “Almost too Good to be True Gospel.” Because of the ignorance and lack of understanding concerning the “Essence” of the Gospel, very few people know and relate to God the way that He is revealed in the New Testament. The “Essence” of the Gospel is all about God revealing His goodness, love, mercy, grace and forgiveness and true nature to a tired, worn out, and hopeless world!

## **Time Management**

Learn first how to surrender time to the Lord so he can dictate our lives. Once he shows you his will for your day, learn how to prioritize and set goals to accomplish what the lord has ordained over your life.

## **Fall and Spring Courses**

### **Dynamics of Christian Living – I and II**

These class hours cover Praise and Worship, Chapel services, guest speakers, seminars, workshops, and conferences that are required attendance for students. They cover various topics of Christian living, testimonies, and real- application of the Word of God in our daily lives.

### **Discipleship Evangelism - I and II**

This course will allow students to study through Andrew Wommack's Discipleship Evangelism' curriculum within a small group context in a format which is interactive.

## **Spring Courses**

### **Basic Bible Doctrines**

Bible doctrine will be covered in this course. Subjects include The Scriptures Inspired, One True God and The Trinity, The Deity of Jesus Christ, The Fall and Salvation of Man, The Present-Day Ministry of the Holy Spirit, Divine Healing, The Return of Jesus Christ for His Church, and Heaven & Hell.

### **Biblical Ethics and Morals**

This course is a study of various ethical and moral issues from a Biblical perspective that affect a Christian's walk with God and influence with others, including those outside the church.

### **Biblical Worldview - I**

Evaluating current world issues in light of the eternal truths of the word of God.

### **Establishing a Prosperous Soul**

According to III John 2 our physical health and financial prosperity are linked to the relative prosperity of our soul. In this course you will learn the keys to establishing a prosperous soul. Some of these principles are finding rest in the presence of Jesus, removing judgments, having a right relationship with authority, being anchored in hope, walking in patience, etc. We will cover these and other essential principles with the end goal of your soul becoming prosperous.

### **Finally, My Brethren**

This insightful study through the first five and a half chapters of Ephesians will cover the foundational steps that Apostle Paul laid out before his often-quoted statements about putting on your spiritual armor. This course will enlighten new scriptural truths and empower you to become more than a conqueror in spiritual conflict.

### **Galatians**

Paul's inspired letter which is often referred to as the "Magna Carta" of Christian liberty is reviewed and studied in terms of its great themes: grace, revelation, our identity in Christ, faith, the Law vs. the blessing of Abraham, and life in the Spirit.

### **Let Freedom Reign**

When we talk about freedom, it means different things to different people. For many believers, freedom in a Christian's life is only achieved through great sacrifice and hard work. When we have sacrificed and labored long and hard enough, we are ultimately rewarded with freedom: freedom from sin or freedom from bondage such as drugs, alcohol, pornography or whatever we perceive freedom to be. In this teaching we will discover that freedom in the New Testament is a gift.

Whenever you study the subject of freedom, as seen in the New Testament, there is a fundamental reality that we must understand about true freedom—in Christ we are all born free.

### **Love of God**

Come to understand how great God's love is for you. Experiencing God's love is not about what you do for Him, but accepting the love God is, has, and continues to demonstrate to you! Learn how the Word declares love over your life.

### **Operating in God's Best**

How to receive and operate in the blessings of God.

### **Overcoming Life's Difficulties**

God has made it possible for you to overcome all of life's challenges. It is His will that you live in victory! In this course, you will learn not only how to be an overcomer but also the rewards for overcoming.

### **Prayers Minister Training**

This course is applicable for any believer who wants to be trained in "how to minister" to those in need of healing, providing instruction not only on what the Bible says about healing, wholeness, and health, but also how to minister to those dealing with sickness and disease. This is practical hands-on training and will be a catalyst for a more effective healing ministry in Jesus name.

**Receiving from God I**

This class covers the subjects of Prayer, Healing, Blessings and Miracles, and Harnessing Your Emotions.

**Receiving from God II**

Continuation of Receiving from God I. This class covers the subjects of Prayer, Healing, Blessings and Miracles, and Harnessing Your Emotions.

**Relationship with God II**

A continuation of Relationship with God I. This study emphasizes four important truths about God and man's relationship with Him. The Nature of God is a study of God that distinguishes between His character and His acts, contrasting the Old Testament with the New Testament. Hardness of Heart deals with one of the major barriers that keep us from accepting all of God's truth. Authority of the Believer helps us receive the blessings God has for us and shows us how to stop Satan from robbing us. God's Not Guilty shows us from Scripture that God is not the author of our problems, nor does He cause bad things to happen to us.

**Sexual Stewardship**

Learn how our sexuality is a gift of God yet to be guided and protected with the wisdom of the Word and practical everyday principles.

**Fundamentals of Faith**

In this course, faith is defined and examined as well as what faith is not. There is a vertical side of faith which is faith towards God, however there is also a horizontal side of faith which is the walk of faith in our natural life. This course will expound on both sides of faith because both are needed to bring about God's plan and purpose in the earth.

**Ministry of Jesus I**

An overview of the culture and context of Jesus' life and ministry that will deal with His manner of teaching, the content of His teaching and His declarations about Himself, His relationship with the Father, the Word, the devil, sin, faith, prayer, and the Holy Spirit.

**Ministry of Jesus II**

A continuation of Ministry of Jesus. An overview of the culture and context of Jesus' life and ministry that will deal with His manner of teaching, the content of His teaching and His declarations about Himself, His relationship with the Father, the Word, the devil, sin, faith, prayer, and the Holy Spirit.

**How to Hear God**

There are many different reasons why we need and want to hear God. This course will look at how to hear Him more clearly in any kind of situation. Whether it's for something big or little, for ourselves or someone else, or our circumstances are peaceful or an emergency, we can hear God.

**Old Testament Foundations I**

Explore the Old Testament books of law and history. Discover how God revealed Himself and His ways to mankind and the historical roots of the New Covenant.

**Old Testament Foundations II**

Dive into the poetic and prophetic books of the Old Testament. Observe the wisdom of God and the progressive revelation of His plan of salvation as revealed through His prophets.

## **How to Get Along with People**

Someone once said, “If it weren’t for people, the ministry would be great.” However, the ministry is all about people, so it’s critically important to learn how to develop relationships and develop them with the right people. When conflict does arise—and it will—it’s also crucial to know how to resolve that conflict according to the Word of God. God’s solution works, but you have to know it to put it into practice.

## **How to Study the Bible**

This course is designed to show the student how to study the Bible in a useable way in their daily lives. In this course we will first look at the importance of the systematic study of the Scriptures and then show the practical steps on how to do it. In this course the student will learn how to outline verses of scripture, how to use reference materials to assist in their study, and how to use bible software programs on a PC or tablet to get the most out of their study of the Word of God. The goal of this course is to equip students to study the Bible for themselves and to make it a daily discipline in their life.

## **Biblical Leadership**

This course will lay a foundation for the growth and development of the student as a leader. Various Bible leaders and attributes will be studied. ## **Living in Balance**

Life is filled with temptations to live in extremes. A successful and stress-free life and ministry requires achieving a proper balance between sure principles that seem to oppose one another. This course will help you live in a healthy tension between the following principles: grace and faith, the ministry of the Word and the Spirit, vision and wisdom, sound doctrine and unity of the brethren, love and discipline, compassion and confrontation, forgiveness, and trust, and being led by the Spirit and submission to authority.

Through the study of the scriptures, the Biblical Basis of Missions teaching will bring a biblical understanding of what the Great Commission is, to whom it is given, and the challenge that is before us.

**Practical Skills for Godly Relationships**

One of the greatest challenges in life is to get along with other people around us, may it be in the workplace, at home and at Church or in ministry. Up to 87% of our success in life is directly related to our ability to get along with other people. The problem with relationships is that 90-95% of the people that we deal with in life are either moderately or severely insecure people. To compound this, most of the time we are also insecure ourselves and herein lies the problem. There is nothing that kills a relationship or a vision, and a ministry quicker than personal and unresolved insecurities. It is important to realize that getting along with other people has more to do with us than it has to do with them. Even though knowing God's love will effortlessly change us and influence the way we relate to others, we sometimes still need to practically work on getting along with other people.

**Bible Covenants**

Learn about the nature of God as revealed in the covenants He made with people. Explore God's covenant with Adam, Abraham, and Israel, and then consider the New Covenant fully revealed in the New Testament.

**How to Flow in the Gifts**

God gives us specific instruction in I Cor. 12:1 not to be ignorant of spiritual gifts. Yet this is something many Christians and churches are most ignorant about. These wonderful gifts are given to us to access when our knowledge of the Word (not the Word) and natural resources are not enough to get ourselves and others through a difficult time in life. The basis of our study will be from I Cor. 12, 13, & 14. The goal of this course is to equip each student to understand, be comfortable with, and be confident in releasing and operating the gifts in order. We will provide time during class to activate the gifts.

<p><b>Fruit of the Spirit</b></p> <p>God's very first words to man connects our success in life to our fruitfulness (Gen. 1:28). The kind of fruit each believer is called to produce is described in Gal. 5:22-23. This is a picture of the life and nature of Jesus. This course is an in-depth study of each aspect of the fruit of the Spirit. You will learn the purpose, the rewards, and the means to fully develop and manifest the fruit of the Spirit in your life and ministry.</p>
<p><b>Healing</b></p> <p>The Christian life includes physical health for all who believe. It is as much God's will that we be physically whole as it is that we be born again. Before anyone can have faith for healing, they must be certain of God's will. Faith cannot go beyond the knowledge of God's will and God's ways in the area of health and healing. This course will establish principles for health and healing and will explain healing in terms of the spirit, soul, and body of man. We will learn what is required of us as faith filled Christians, and what is God's part in the process of receiving health in our bodies.</p>

<p><b>Holy Spirit I &amp; II</b></p> <p>This is an exciting class that discusses the Person and the work of the Holy Spirit. Not only will you learn how He has worked throughout history, but how He works in your life.</p>

The most important part of a structure is its foundation. These truths will help you establish a firm foundation in the Word of God.</p>
<p><b>Marriage and Family</b></p> <p>This course will show what the Bible says about God's plan and purpose for marriage.</p>

Topics include friendship with God, worship, hearing His voice, praying for others, and doing what we see the Father do. There will be a focus on scriptural examples and real-life application.</p>
<p><b>Possess the Land</b></p> <p>In this course you will come to understand the relationship between the children of Israel possessing the Promised Land, and believers possessing the 'Land of Promises.' What does it mean to possess the Truth, possess eternal life, our new identity in Christ, our thought life, and God's prosperity? Finally, how do we drive out the enemy who comes to steal, kill, and destroy?</p>
<p><b>Principles of Grace and Faith</b></p> <p>The purpose of this course is to understand what grace and faith is and how they operate in our relationship towards God and how they operate towards those around us in our daily life. This course is designed to bring the Christian into a balance of receiving God's grace by faith and demonstrating that grace to all those around us.</p>
<p><b>Prosperity God's Way</b></p> <p>This course is designed to help the student develop the right relationship with money and run the love of money out of his/her soul. Jesus tells us in Luke 16 that faithfulness in that which is least— money—will qualify us to be entrusted with true riches—eternal souls. These lessons will establish the student in the purpose of prosperity; identify the real enemies of prosperity and the right attitudes to develop toward finances.</p>
<p><b>Relationship with God I &amp; II</b></p> <p>This study emphasizes four important truths about God and man's relationship with Him. The Nature of God is a study of God that distinguishes between His character and His acts, contrasting the Old Testament with the New Testament. Hardness of Heart deals with one of the major barriers that keep us from accepting all of God's truth. Authority of the Believer helps us receive the blessings God has for us and shows us how to stop Satan from robbing us. God's Not Guilty shows us from Scripture that God is not the author of our problems, nor does He cause bad things to happen to us.</p>
<p><b>Romans</b></p> <p>Romans—The revelation of righteousness. The Book of Romans is considered by many as the greatest exposition of Christian Doctrine anywhere in the Bible. The revelation of righteousness is the revelation of the gospel. In this class we see: the need for the provision of, the way to and the power of righteousness revealed in Christ and received by faith.</p>
<p><b>The Heart Essence of the Gospel</b></p> <p>Guilt, Condemnation, and Fear seems to be the motivating factors that define many Christian's lives. Guilt, Condemnation, and Fear among believers has been passed down from generation to generation because they have been ignorant of the Heart or "Essence" of the Gospel, and for generations people have struggled to believe the truth of the "Almost too Good to be True Gospel." Because of the ignorance and lack of understanding concerning the "Essence" of the Gospel, very few people know and relate to God the way that He is revealed in the New Testament. The "Essence" of the Gospel is all about God revealing His goodness, love, mercy, grace, and forgiveness and true nature to a tired, worn out, and hopeless world!</p>

<b>Taking No Offence</b> Offence is a mouse trap; it can rob you of God's best for your life. Learn how to identify offence and how walking in forgiveness can help overcome offence in any situation.
<b>Time Management</b> Learn first how to surrender time to the Lord so he can dictate our lives. Once he shows you his will for your day, learn how to prioritize and set goals to accomplish what the lord has ordained over your life.
<b>Basic Bible Doctrines</b> Bible doctrine will be covered in this course. Subjects include The Scriptures Inspired, One True God and The Trinity, The Deity of Jesus Christ, The Fall and Salvation of Man, The Present-Day Ministry of the Holy Spirit, Divine Healing, The Return of Jesus Christ for His Church, and Heaven & Hell.
<b>Biblical Ethics and Morals</b> This course is a study of various ethical and moral issues from a Biblical perspective that affect a Christian's walk with God and influence with others, including those outside the church.
<b>Sexual Stewardship</b> Learn how our sexuality is a gift of God yet to be guided and protected with the wisdom of the Word and practical everyday principles.
<b>How to Hear God</b> There are many different reasons why we need and want to hear God. This course will look at how to hear Him more clearly in any kind of situation. Whether it's for something big or little, for ourselves or for someone else, or our circumstances are peaceful or an emergency, we can hear God.
<b>Establishing a Prosperous Soul</b> According to III John 2 our physical health and financial prosperity are linked to the relative prosperity of our soul. In this course you will learn the keys to establishing a prosperous soul. Some of these principles are finding rest in the presence of Jesus, removing judgments, having a right relationship with authority, being anchored in hope, walking in patience, etc. We will cover these and other essential principles with the end goal of your soul becoming prosperous.
<b>Finally, My Brethren</b> This insightful study through the first five and a half chapters of Ephesians will cover the foundational steps that Apostle Paul laid out before his often-quoted statements about putting on spiritual armor. This course will enlighten new scriptural truths and empower you to become more than a conqueror in spiritual conflict.
<b>Galatians</b> Paul's inspired letter which is often referred to as the "Magna Carta" of Christian liberty is reviewed and studied in terms of its great themes: grace, revelation, our identity in Christ, faith, the Law vs. the blessing of Abraham, and life in the Spirit.
<b>Let Freedom Reign</b> When we talk about freedom, it means different things to different people. For many believers, freedom in a Christian's life is only achieved through great sacrifice and hard work. When we have sacrificed and labored long and hard enough, we are ultimately rewarded with freedom; freedom from sin or freedom from bondage such as from drugs, alcohol, pornography or whatever we perceive freedom to be. In this teaching we will discover that freedom in the New Testament is a gift. Whenever you study the subject of freedom, as seen in the New Testament, there is a fundamental reality that we must understand about true freedom; in Christ we are all born free.
<b>Operating in God's Best</b> How to receive and operate in the blessings of God.
<b>Prayer Ministry Program</b> This course is applicable for any believer who wants to be trained in "how to minister" to those in need of healing, providing instruction not only on what the Bible says about healing, wholeness and health, but also how to minister to those dealing with sickness and disease. This is participatory and experiential course and will be a catalyst for a more effective healing ministry in Jesus' name.
<b>Receiving from God I, II</b> This class covers the subjects of <i>Prayer, Healing, Blessings and Miracles, and Harnessing Your Emotions</i> .

<p><b>Fundamentals of Faith</b></p> <p>In this course faith is defined and examined as well as what faith is not. There is a vertical side of faith which is faith towards God, however there is also a horizontal side of faith which is the walk of faith in our natural life. This course will expound on both sides of faith because both are needed to bring about God's plan and purpose in the earth.</p>
<p><b>Ministry of Jesus I &amp; II</b></p> <p>An overview of the culture and context of Jesus' life and ministry that will deal with His manner of teaching, the content of His teaching and His declarations about Himself, His relationship with the Father, the Word, the devil, sin, faith, prayer and the Holy Spirit.</p>
<p><b>Love of God</b></p> <p>Come to understand how great God's love is for you. Experiencing God's love is not about what you do for Him, but accepting the love God is, has, and continues to demonstrate to you! Learn how the Word declares love over your life.</p>
<p><b>Old Testament Foundations I</b></p> <p>Explore the Old Testament books of law and history. Discover how God revealed Himself and His ways to mankind and the historical roots of the New Covenant.</p>
<p><b>Old Testament Foundations II</b></p> <p>Dive into the poetic and prophetic books of the Old Testament. Observe the wisdom of God and the progressive revelation of His plan of salvation as revealed through His prophets.</p>
<p><b>Overcoming Life's Difficulties</b></p> <p>God has made it possible for you to overcome all of life's challenges. It is His will that you live in victory! In this course, you will learn not only how to be an overcomer but also the rewards for overcoming.</p>

**Practical Skills for Godly Relationships**

One of the greatest challenges in life is to get along with other people around us, may it be in the workplace, at home and at Church or in ministry. Up to 87% of our success in life is directly related to our ability to get along with other people. The problem with relationships is that 90-95% of the people that we deal with in life are either moderately or severely insecure people. To compound this, most of the time we are also insecure ourselves and herein lies the problem. There is nothing that kills a relationship or a vision, and a ministry quicker than personal and unresolved insecurities. It is important to realize that getting along with other people has more to do with us than it has to do with them. Even though knowing God's love will effortlessly change us and influence the way we relate to others, we sometimes still need to actively work on getting along with other people.

This course will help you walk out God's plan for your life!

**Bible Basis for Missions**

The purpose of this course is to address one of the most misunderstood subjects in the body of Christ today - Missions! Through the study of the scriptures, the Biblical Basis of Missions teaching will bring a biblical understanding of what the Great Commission is, to whom it is given, and the challenge that is before us.
